Please Read Carefully!!!!
Some Times and Stops Have Changed

The Woodland Beach Volunteer Fire Department (WBVFD) will be coming through your community collecting new toys and clothing for children in need. Have your wrapped gift ready and labeled with “boy” or “girl” and appropriate age range or size. (Please do not forget the older children 13 to 17 years old)

We will ride through your community with Santa to pick up presents and visit with children at the times and locations listed below. Please note that the time we enter your community may not be the time we are at your stop. Please allow us sufficient time to pick up presents and visit with your neighbors. We do our best to stay on time!
